Dear Clerk of the Court:

We are seeking approval for a telephonic appearance for the above referenced Case Management Conference. Our direct land line contact phone number is (310) 943-9587 ext. 2. On June 4, 2015, our office communicated with Attorney representing all Defendants, Daniel O'Shea. He stated that he will be appearing in person. Therefore, our office will be the only party making a telephonic appearance. Thank you in advance for your cooperation with this matter.
